

Dear HR Department,

I am writing this letter to express my interest and would like to apply for your Junior Developer position on your LinkedIn. With a Bachelor's degree in Computer Science, and over 3 years in developing website applications with proficiency in PHP, Javascript, CSS and mobile responsive, I am confident I will be an asset to your organization.

Your listed requirements closely match my background skills. Moreover, as a growing software developer, I can work well under pressure independently as well as incorporate in order to commit deadlines on various projects on time. A few I would like to highlight that would enable me to contribute to your bottom line are:

- Experience with multiple frameworks such as WordPress, Laravel, VueJS
- Experience in working with MySQL
- Familiar with version control systems such as Git
- Experience with building tools like Gulp.js, Webpack
- Experience with RESTful APIs
- Experience with building website using HubSpot

Please refer to attached for my resume and portfolio in software development. I can be reached anytime via +84 964 975 557 or email at vayu411@gmail.com.

Thank you for your consideration and I look forward to have an opportunity of discussing my application with you further and how I can significantly contribute to the company's continued growth and success.

Sincerely,
Hieu TN
